

## Ideation Phase

### Define Problem Statements

Date	21/10/2022
Team ID	PNT2022TMID05746
Project Name	IoT Based Safety Gadget for Child Safety Monitoring & Notification
Maximum Marks	4 Marks

#### Customer Problem Statement Template:

More families are now spending time on work and social duties, hence away from their children. This causes increased concerns towards their safety and whereabouts, and has made keeping a track of their activities quite challenging.

#### Example:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	parent	Monitor my child	There is no proper device	It is not comfortable for handle	worried
PS-2	teacher	Monitor my students	There is no proper device	It is not comfortable for handle	worried
